Podcast #347: The Science of Social Awkwardness | The Art ...

Everyday awkwardness happens in a context where the social order seems more or less adequate and comfortable, but the provisional nature of every social order indicates that it's not an all-or-none phenomenon. It's about having a social order or none, as in the opposition between everyday and radical awkwardness, between awkwardness in violation of a social norm and awkwardness in the absence of a social norm.

You will get through it and you will get really good at it. It'll just take time. And that's the whole point of being a student. You're learning how to be a teacher – of course you'll be scared and feel nervous. But you have to find a career, for introverts or extroverts: accept the awkwardness and keep moving forward.

Stepping through. - I Waste So Much Time

A shrill ring echos through my ears. It's too loud to ignore. As my eyes flicker open, I realize that it's the ringing of a phone. More specifically, my phone. With a groan, I lift myself to a sitting position. I have, I stretch out my hand, blindly searching for my phone. Eventually, my fingers curve around the familiar object and I put it to my ear.
