In conclusion, Ernst Junger's memoir Storm of Steel shows the detailed life of the average soldier living, fighting, and dying in the trenches of World War I. Devoid of personal emotions or political agendas, Junger is able to accurately describe the horrors of war as well as the average life of the soldier and operations of the German army on the Western Front.

Storm of Steel

The memoir widely viewed as the best account ever written of fighting in WWI A memoir of astonishing power, savagery, and ashen lyricism, Storm of Steel illuminates not only the horrors but also the fascination of total war, seen through the eyes of an ordinary German soldier. Young, tough, patriotic, but also disturbingly self-aware, Jünger exulted in the Great War, which he saw not just as ...

Storm of Steel - Wikipedia

STORM OF STEEL offers WWI from a German soldier's point of view, but Erich Maria Remarque it ain't. All told, author Ernst Junger was shot multiple times, yet would live not only to write this book (and many others) but to celebrate his 103rd birthday (attended by an unusually patient Grim Reaper-in-Waiting).

As I have shifted my gaming towards TFL's IABSM and Chain of Command, I have been adding some more figures to my existing collection. But I have been adding single figures as these are used in both Lardy games. I have had some 15mm Romanians for over a decade, but they were based for Rapid Fire!, so I decided to add to them. They came from Old Glory and the first set were the support weapons:
