with improvisation, theatrics or embellishment. Every culture has its own stories or narratives, which are shared as a means of entertainment, education, cultural preservation or instilling moral values. Crucial elements of stories and storytelling include plot, characters and narrative point of view.

Storytelling - Wikipedia

As a result, the National Storytelling Network would like to explain the term as it is used by the growing and vibrant community of storytelling practitioners in the United States and Canada. Our hope is to call attention to storytelling as an art worth promoting, and to help those outside the storytelling community to distinguish storytelling from other, related forms of human expression.

Theories of Story and Storytelling

I found that many of the storytelling techniques used thousands of years ago are still applicable today to a wide range of mediums besides the written word. Not only are they indispensable tools for novelists, they are useful for presenters, business leaders, marketers, and journalists.
