Project MUSE - Strategy: The Logic of War and Peace (review)

If Edward Luttwak does not always persuade, he always provokes. In this superb book, one that will become a classic of strategy, he does both. He may overstate the uniqueness of his theme-that strategy is "pervaded by a paradoxical logic of its own": much of human activity is riddled with paradox, as immunologists know and those who wait in a long line of traffic for a brief

The Logic of War - The Dally Reckoning

In this widely acclaimed work, now revised and expanded, Edward N. Luttwak unveils the peculiar logic of strategy level by level, from grand strategy down to combat tactics. In the tradition of Carl von Clausewitz, Strategy goes beyond paradox to expose the dynamics of reversal at work in the crucible of conflict.

Luttwak's consideration if his subject it exhaustive. Strategy: the Logic of War and Peace is not an easy read.

Strategy: The Logic of War and Peace - Edward Luttwak ...

This is the truth underlying Clausewitz' definition of war as "a continuation of policy by other means" — the prolongation of that policy through the war into the subsequent peace must ...

Strategy, by Edward N. Luttwak - Commentary Magazine

The Logic of War. This was the week that the logic of war collided with the illogic of bubbles. So far, the bubble is winning, but that's about to change. The "logic of war" is an English translation of a French phrase, la logique de la guerre, which refers to the dynamic of how wars begin despite the fact that the war itself will be horrendous...

Strategy: The Logic of War and Peace by Edward N. Luttwak

Strategy: The Logic of War and Peace by Edward N. Luttwak. If you want peace, prepare for war. A buildup of offensive weapons can be purely defensive. The worst road may be the best route to battle.

Strategy: The Logic of War and Peace - ResearchGate

Originally published in 1987, Edward Luttwak's Strategy: The Logic of War and Peace was probably the best work of the Clausewitzian revival because it offered a clear summary of the great philosopher's insights into war's dialectic. In the process, Luttwak articulated a concise theory of war.

Strategy — Edward N. Luttwak | Harvard University Press
