Studying Public Policy - GBV

Studying Public Policy develops an analytical framework of the subject for students in public policy course. Instead of focussing on the substantive policy of a particular policy area, the book examines the theoretical and conceptual foundations of, and approaches used in, the policy sciences.

Studying Public Policy: Policy Cycles and Policy ...

Studying Public Policy examines three dimensions of efforts to engage and resolve public problems: policy actors, institutions, and ideas. Using this focus, the book overviews past efforts to understand public policy-making, outlines the different stages of the policy-making process, and discusses the principal elements and patterns of policy dynamics.

Studying Public Policy Policy Cycles and Policy Subsystems ...

"How and why do political decision-makers come to particular policy decisions? Instead of focusing on specific cases or policy areas, Michael Howlett, M. Ramesh, and Anthony Perl introduce the theoretical foundations of the policy sciences and develop an analytical framework based on the idea that policy-making is a cycle of problem-solving attempts." "This third edition of Studying Public ...
