Stumbling On Happiness Review. Just like yesterday's book, it's almost impossible to pull out only 3 good things here.It's fascinating how we make bad decisions and wrong assumptions, not because of being over-confident or smug, but simply because of the way our brains are wired.. I think the consequences have a much bigger impact on our lives than even the book suggests.

Stumbling On Happiness Summary - Four Minute Books

Happiness is a subjective feeling. It is but impossible to compare two different persons' level of happiness. What about comparing two kinds of happiness by the same person? That is very inaccurate as well because we tend to compare the present happiness with something in the past, or two past experiences of happiness.
