of the work is to study the thyroid functions in patients with ischemic heart disease in its different clinical presentations. The relation between the severity of IHD and its complication with thyroid function tests.

*Summary - Boston University
Conclusion—Application of Harry Potter Harry quickly learns at Hogwarts that good is something that can be actualized. But before he learns to do good, he learns that good has the potential to produce great things. However, more important than the lesson that good produces great things, is the lesson that greatness is not always good.*
