While swing music tended to feature orchestrated big band arrangements, bebop music highlighted improvisation. Typically, a theme (a "head," often the main melody of a pop or jazz standard of the swing era) would be presented together at the beginning and the end of each piece, with improvisational solos based on the chords of the tune.

Bop was a popular form of Swing dancing during the 1950's as well as done as a solo dance (especially when the melody divorced itself from traditional dance rhythms). It's style was slightly different than its predecessor Jitterbug. The term Bop was also used as slang for a type of careless movement, such as "Bop on over." The Bop lead the way for Beatniks, Cappuchinos etc. The dance style was a form of Jitterbug, or more recently East Coast Swing. Bop was mainly 8 counts with a hip-twisting ...
