Reading: Symbolic Interactionist Theory | Sociology

Symbolic interaction theory is very useful to those seeking to understand the social significance of sex and gender. Sociologists point out that gender is a social construct: that is, one's gender does not need to correspond to one's biological sex—but there are strong social pressures to act in particular ways based on one's sex.

Symbolic Interactionism: Perspective and Method First Edition

This is a collection of articles dealing with the point of view of symbolic interactionism and with the topic of methodology in the discipline of sociology. It is written by the leading figure in the school of symbolic interactionism, and presents what might be regarded as the most authoritative statement of its point of view, outlining its fundamental premises and sketching their implications ...

Applying Symbolic Interaction Theory to Race and Gender

Symbolic interactionism as a theory to understand the micro-level phenomenon of the society was given by George Herbert Mead, though he did not do much work on this. It is a sociological theory, also known as a symbolic interaction perspective. Symbolic interactionism focuses on looking at the actions and interactions among the individuals rather than at the group level.

SYMBOLIC INTERACTIONISM: PERSPECTIVE AND METHOD (Book)

Underlying symbolic interactionism is the major assumption that individuals act on the basis of the meaning that things have for them. Aim. The purpose of this paper is to present symbolic interactionism as a theoretical perspective for multiple method designs with the aim of expanding the dialogue about new methodologies. Conclusion.

Symbolic Interactionism: Perspective and Method - Herbert ...

Symbolic Interactionism is a collection of papers by Herbert Blumer summarizing the social psychological & sociological implications of Meads work. You might think that a lack of progression would get old, or feel choppy, but I found that compiling these papers in this way gave Blumer a chance to present the symbolic interactionist theory in a few different lights which was as refreshing as it ...
