You won't find fiction here - like Wikipedia, Wikibooks is devoted entirely to the sharing of knowledge.

Igarashi Takenobu | Japanese graphic designer | Britannica
Japanese graphic designer and artist Takenobu Igarashi is perhaps best known in the United States for his letterforms and numbers drawn by hand in the axonometric method — guided by three axes, instead of two — so that the letters appear three-dimensional, like small architecture. For eight years, from 1984 through 1991, Igarashi designed annual [...]
