What does take command mean? - Definitions.net
So You're Taking

Command by Captain Phillipe J. Creetol All professional officers look forward to taking command. They see it not as a "ticket punch" to promotion or branch qualification, but as a venerable duty. In effect, you are going to be responsible for between two and two hundred (or more) lives. There is no set way to initiate

your command.

Taking Command - David Richards - Google Books
Command-line arguments are given after the name of the program in command-line shell of Operating Systems. To pass command line arguments, we typically define main() with two

arguments : first argument is the number of command line arguments and second is list of command-line arguments.

TAKE-COMMAND | 1 Definitions of Take-command - YourDictionary

Written as a conventional chronological

biography, Taking Command only really picks up when Richard reviews the most controversial military decisions, particularly its overseas interventions. Otherwise, it trundles on poorly as a narrative, particularly when Richards feels the comradely need to include the

contemporary and final ranks, alongside a brief professional review, of individuals.
