Your new TAPCO® SW•10 active studio subwoofer is designed to set up quickly and operate easily. We know it's often seen as a sign of weakness to read a manual, along with asking for directions when lost, but we hope you will read the rest of the manual, at least while nobody is looking.

Tapco Underwriters, Inc.

The SW?10 Active Studio Subwoofer joins the popular S?5 and S?8 monitors in TAPCO's active studio monitor lineup. Developed by the renowned Mackie studio monitor team, the SW?10 outperforms anything in its class - both sonically and aesthetically. This versatile and compact "mini-sub" offers loud, punchy, and precise low-end down to 34 Hz.

Tapco | Problem Troubleshooting Manuals

Tapco is a brand name for sound reinforcement products including audio mixers, speakers, and amplifiers.. The original Tapco, which stood for "Technical Audio Products COmpany", was founded in 1969 by Greg Mackie and Martin Schneider. Their original product line were guitar amps and PA speakers.

TAPCO THUMP TH-15A OWNER'S MANUAL Pdf Download.

The left and right line-level outputs from a mixer feed the inputs of two TAPCO TH-18s subwoofers. The full-range line-level outputs of the subwoofers feed the inputs of the TH-15A loudspeakers, so these play the full range in stereo, and the subs provide bass reinforcement.

Thump Series Powered Loudspeakers - Mackie

Tapco was the name of a company set up by Greg Mackie back in 1969, when, working from his garage, he developed a line of small, attractively priced mixers designed primarily for live sound. The name Tapco has now been resurrected as the new 'Tapco by Mackie' product line.

active studio subwoofer - synthmanuals.com

Thump Series LOW END YOU CAN FEEL. Only Mackie Thump Powered Loudspeakers deliver the class-leading, chest-thumping low end you deserve. With 1000+ watts of power, you get the high output you need in a package that's tough, lightweight and portable.
