ensures that the device complies with European legislation, Directive 89/336/EEC, 73/23/EEC, 93/68/EEC, which covers the EMC (electromagnetic compatibility), and safety aspects of marking.

How to set Wifi password on Technicolor TC7200 modem - YouTube

I just got a Technicolor TC7200 router from my local DNA shop as part of the home broadband. I need to change some settings but cannot log in to the router. I have used both admin/admin for the username and password and also left them both blank. It just says "Given username and/or password is/are wrong". I have already set a static IP.
