FiX-86 - Car Audio - Processors
- OEM Integration - JL Audio
JL Audio's FiX 86 digital signal processor is designed to provide a completely flat and focused audio signal from the factory installed radio to your aftermarket amplifier(s). So while it's hard to say for certain, I would imagine any sort of "popping" noises would be relieved by installing the FiX 86 in your system. I hope that helps.

The '86 Fix | Keith A Pearson
The '86 Fix is more fun and interesting than Silverberg's time travel stories except for the fantastic, Up the Line. The '86 Fix started off too depressing (negative) for my tastes but fortunately the author took a dumpy but interesting character and created an anti-hero adventure story. Think of the Lord of the Rings or The Godfather.

The 86 Fix

The 86 fix was a random punt from amazon prime books, but I ' m really glad I chose it. A far more emotional book than I was expecting, the characters were multi-faceted and engaging, the story was neither rushed nor tedious (I didn ' t find myself yelling " get to the good bit! " during the pre-time travel section ONCE).
