The ABSITE Review 6th Edition PDF » Free Books PDF EPUB

It continues to provide a very rapid review of surgery while still providing sufficient explanation so the reader does not feel lost. Fiser's ABSITE Review was the first preparatory book written in outline style and surprisingly continues to be the only book of success in the market written in this style (most are Q/A).

The Absite Review

Welcome to the ABSITE Review Course For over twenty years, this original, longest-running and largest such course in the country has helped surgical residents prepare for the ABSITE examination via three live in-person (2-day) intensive review courses offered in November, December and January each year.

Timeline | ABSITE Review Course

We discuss a wide range of high-yield thoracic topics for the ABSITE and General Surgery Boards. These include anatomy, benign/malignant pathology, and trauma. Thoracic is not currently part of our ABSITE review Podcast Companion, but will be added in future editions. Thanks for listening!

the absite review - ciribus.gracels.org

This 4th edition of The ABSITE Review is the perfect study guide for surgery residents preparing for the American Board of Surgery In-Training Examination (ABSITE). Unlike ordinary textbooks that force the reader to wade through paragraph after paragraph of extraneous material, this review manual uses a streamlined outline and list format.
