She finishes that chapter, saying (p82) “ there must come into being a special code of rules, exacting, and precise, for the treatment of the child at birth, and in the first few days following birth ” . Find the Absorbent mind's book here. Do you want to learn more about Montessori as parent?

The absorbent mind Montessori - My Graduate School ...

The Absorbent Mind, by Maria Montessori, is an in-depth explanation of Montessori ' s discoveries related to child development in the first six years of life. Montessori was astounded by the almost effortless quality of children ' s learning at this age—as though they could ‘ absorb ’ knowledge from the surrounding environment: “ There is in the child a special kind of sensitivity which ...

The Summary of The Second Chapter of The Absorbent Mind by ...

I started reading the Absorbent Mind by Maria Montessori yesterday. Her attention to the nature of life and human development as the basis for education is refreshingly impressive. I disagree with her statist views of government and her view of education as a servant of "society" (especially poignant having recently re-read Ayn Rand's Capitalism: the Unknown Ideal).
