About The Ages of Faith. Christianity in the later Middle Ages was flourishing, popular and vibrant and the institutional church was generally popular - in stark contrast to the picture of corruption and decline painted by the later Reformers which persists even today.

Faith Books - Goodreads

Religion has been a factor of the human experience throughout history, from pre-historic to modern times. The bulk of the human religious experience pre-dates written history. Written history (the age of formal writing) is only c. 5000 years old. A lack of written records results in most of the knowledge of pre-historic religion being derived from archaeological records and other indirect ...
