Bonsai tree diseases can be very dangerous, and even fatal, to your plants. By recognizing the signs and treating the problem quickly, you increase the chance of recovery and help prevent the spread of infection. Some trees are more susceptible than others to particular diseases or pests, so it's important that you research your species ...

Bonsai Tree Diseases - How to Treat Bonsai Health Issues

To create likenesses for each emperor, Voshart collected almost 1,000 images of busts, coinage, and other representations. Using the research of an art breeder, he then combined each emperor's multiple representations, tweaking where necessary due to cracks in statuary. The images were then altered in Photoshop based on research into each emperor's family, place of origin, and written ...
