'the art of getting started' book | Five Below

The Art of Getting Started. It's par for the course at the end of a school year with three children, but it could also be a giant metaphor illustrating one of most vexing entrepreneurial challenges -- getting started. More often than we'd like, entrepreneurs find ourselves overflowing with ideas, but not actually acting on any of them.

The Art Of Getting Started

With that in mind, here's a formula to get you on track to mastering the delicate art of getting started: 1. Always start with a minimum viable product. One of the deadliest pitfalls business owners get into (even when they know better) is trying to start too big.

Get Started With The Art Of Portrait Photography. Making a good portrait depends on many factors including having the right gear, using the proper settings in your camera, making use of light, trying creative angles and poses and above all, where children are involved, getting them to stay still can be an almost impossible task.

It's Never Too Late to Become an Artist | Here's ...

I am self-taught in the sense that I never went to a formal art school. I think there are pros and cons to that, which I'll get into in another post in the future. I always enjoyed drawing growing up but didn't take illustration seriously until about two years ago. That was when I really started seeing improvement.
