LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

The Astral Projection Guidebook: Mastering the Art of ...

Astral projection refers to an out-of-body-experience (OBE) during which the astral body leaves the physical body and travels to the astral plane. People often experience this state during illness or when involved in a near death experience, but it is also possible to practice astral projection at will.
