...

The Codex Mendoza is an Aztec codex, believed to have been created around the year 1541. It contains a history of both the Aztec rulers and their conquests as well as a description of the daily life of pre-conquest Aztec society. The codex is written in the Nahuatl language utilizing traditional Aztec pictograms with a translation and explanation of the text provided in Spanish. It is named after Don Antonio de Mendoza, then the viceroy of New Spain, who may have commissioned it, possibly with t
