The Great Big Green Book by Mary Hoffman - Goodreads
The Big Book of Green Design explores the specific techniques and methods that graphic designers are employing worldwide to make their business a more earth-friendly one. When paying clients need a more environmentally conscious image, they turn to ad agencies and in-house designers for cost-effective solutions.

The Big Game by Tim Green

We loved Green Book along with the sold-out crowd who applauded loudly at the end. Based on true story of piano virtuoso, Don Shirley's road trip through the south during the 60's, the film pays tribute to his genius and courage as a black man who tries hard to soar above the ugliness of the times.
