The Bodybuilder's Nutrition Book: Franco Columbu ...

The basics of nutrition and the author's story is an interesting read. A note of caution: Some of the recommended vitamin intake numbers seem to be dangerously outdated: Vitamin B6: The author seems to give a lot of importance to B6, but the articles elsewhere suggest otherwise. The safe upper limit for B6 is now set under 25mg, with different numbers elsewhere in the world.

Franco Columbu Bodybuilder's Nutrition Book pdf – CharlesDev

This book is suitable for anyone who is trying to improve their knowledge about training and bodybuilding nutrition. Again, the book is based on evidence and contains only proven to work information & facts. It is important to mention here that this book focuses more on the nutrition and less on the actual training techniques. 8.
