### Boeing: Airport Compatibility - Airplane Characteristics ...

The MRG pilot guide is written for professional airline and simulator pilots operating the Boeing 737. This pilot guide provides technical notes and management advise to handle over 300 non-normals. These notes are based on more than 25 years and 20,000 hours experience on Boeing aircraft. There are several excellent technical guides that describe 737 systems in depth, such as Bill Bulfer's Cockpit Companion and Chris Brady's Technical Guide, which I can recommend.
