Chinese gardens aren't laid out in a way that you can see the entire garden all at once. Instead, small scenes are set up so that as you wander through the garden, you come upon several intimate settings to view. Every scene is well-planned and framed. Some elements that aren't actually in the garden are part of the design as well.

How Chinese Art Became Contemporary | artnet News
English garden, French Jardin Anglais, type of garden that developed in 18th-century England, originating as a revolt against the architectural garden, which relied on rectilinear patterns, sculpture, and the unnatural shaping of trees. The revolutionary character of the English garden lay in the fact that, whereas gardens had formerly
