Senior In-Home Care & Caregiver Services by 24 Hour Home Care  
Your caregiver is not paid for 16 hours of sleeping time during the 48 hours they are on-the-job. Their pay at the end of the week will reflect 32 hours (two 16-hour days) at their regular hourly rate. You require your caregiver to work three 24-hour shifts as part of a full-time eldercare team.

Live-In Caregivers for Alzheimer's and Dementia  
En espanol | Planning for in-home care is a lot like the Chinese adage about planting a tree: The best time was 20 years ago, and the second best time is today. Older Americans determined to stay in their own homes are likely to need help at some point — for a few hours a day or 24/7 — with household chores, nursing services and personal care.

24 Hour Caregivers | Senior Home Care Services  
24-hour Live-in Home Care: What's the Cost? With an increasingly ageing population, there is a huge demand for elderly care services. More and more families are looking at alternatives to the care home model , as older people who are accustomed to living independent lives, reject the idea of moving away from their much-loved homes.
