traces the dynamic of ideological and social change from the 1790s to the 1830s in terms of attitudes to education and analyzes the range of contemporary opinions on popular education. It also examines some of the channels through which ...

### The Concept Of Popular Education

Popular education is a concept grounded in notions of class, political struggle, and social transformation. The term is a translation from the Spanish *educación popular* or the Portuguese *educação popular* and rather than the English usage as when describing a 'popular television program', popular here means 'of the people'.

Paulo Freire - Wikipedia

The term "popular culture" was coined in the mid-19th century, and it referred to the cultural traditions of the people, in contrast to the "official culture" of the state or governing classes. In broad use today, it is defined in qualitative terms—pop culture is often considered a more superficial or lesser type of artistic expression.

The Definition of Popular Culture in Sociology

It's easy to have a problem with this concept philosophically—namely that the most popular isn't always the most effective or the 'best.' So this post isn't about the most innovative trends, most exciting trends, or most effective trends, but rather the most popular trends in innovative education insofar as we

Popular education. An introduction to practice plus an annotated booklist. There is no one definition of popular education in the South American context. It is usually associated with political movements and is aimed at groups of people excluded from full participation in the political process.

The Concept of Culture | GEOG 571: Cultural Intelligence

In terms of pedagogy, Freire is best known for his attack on what he called the "banking" concept of education, in which students are viewed as empty accounts to be filled by teachers. He notes that "it transforms students into receiving objects [and] attempts to control thinking and action, lead[ing] men and women to adjust to the world ...

DEFINITION OF EDUCATION; TRADITION AND MODERN CONCEPT OF ...

This romanticized concept of "culture" (that cultural practices in general should not be criticized) rests on the belief that "civilization" is material, whereas "culture" is spiritual and symbolic. This way of viewing culture has created many complications for scholars, academics, religious leaders, politicians, and ordinary people.
