Nation - Wikipedia

Territorial nationalism can be interpreted as anti-colonial. Nationalism is the desire to reject various economic controls and foreign pretensions to cultural superiority. Japan, through her conquest and rule of Korea (1910-1945), caused the awakening and sustaining of Korean nationalism, providing a negative, yet most powerful motivator for it to grow — a national enemy.

## Read Online The Cultural Politics Of Nationalism And Nation Building Ril And Performance In The Forging Of Nations

Nationalism is a term used to describe a fervent emotional identification with one's country and its people, customs, and values. In politics and public policy, nationalism is a doctrine whose mission is to protect a nation's right to self-govern and shield fellow residents of a state from global economic and social pressures.

devotion to one's country; patriotism.

nationalism | Definition, History, & Facts |  
Britannica

Nationalism is an idea and movement that promotes the interests of a particular nation (as in a group of people), especially with the aim of gaining and maintaining the nation's sovereignty (self-governance) over its homeland. Nationalism holds that each nation should govern itself, free from outside interference (self-determination), that a nation is a natural and ideal basis for a polity and ...

Nationalism - definition of nationalism by  
The Free Dictionary

All economic theories have to be implemented in certain cultural, political and social contexts. While the intellectual community, development practitioners and economists believe that the key to China's economic growth lies in its mixed model of development, to me, the culture of China has played a critical role in its spectacular economic development.
