pleasure.

The Drifters (novel) - Wikipedia

James A Michener goes to many places in this book and has a wide variety of characters to get interested in. Michener describes how the draft dodgers of the 60's were compared to the underground railroad. He tells much about different lands, cultures and events throughout Europe. He covers everything from drugs, to wealthy women, to airplane mechanics who all develop a friendship in their travels, and Michener definitely keeps it interesting by switching up who is actually narrating the ...
