level of economic growth when human capital is neglected for high-end consumption.

The Economics of Inequality, Discrimination, Poverty, and ...

The Economics of Inequality, by Thomas Piketty Inequality is the hot topic of the moment, not least since the publication in 2013 of Thomas Piketty's own somewhat Marxist-sounding Capital in the Twenty-First Century. His latest book features a bright red cover and an almost Russian-style font; the anti-capitalist defiance appears evident.

Ganser ...

The Economics of Inequality by Thomas Piketty is a brief introduction to the principles of inequality and some pertinent theories for its amelioration. In particular, it defines a clear picture of the nature of income inequality and capital inequality as the former began to observably increase in the 90s, the time at which the book was written.
