**Gulliver - The Economist  
Business operates in a wide  
economic, political and social  
context, and it is often said  
that the only constant is an  
ever-increasing rate of  
change. Yet what is driving  
that change, and what are the  
consequences for business  
strategy? Interestingly, the  
forces shaping business  
derive their strength and  
energy from these potent  
sources of social change.**
