The central argument of the book is that the evolving policy mix, resources, framing influences and political opportunities, through which European integration affects conflicts and processes of conflict resolution, demonstrate a historical continuity. As a result, the EU has become an indispensable factor of conflict resolution.

This chapter presents a case study on Europeanisation effects in the context of a failed, or non-negotiated, settlement as in the case of the Kosovo/Serbia conflict. It analyses the European Union's (EU) involvement in the conflict since 1990 and discusses the EU integration strategy for the Western Balkans.

Europeanisation of Conflict Resolutions: Regional ...

Here we define Europeanisation for the particular context of conflict settlement and resolution as: a mechanism and a process at the same time which is activated and encouraged by European institutions by linking the final outcome of the conflict with the
