Endorsements. Portfolio Society is a fascinating and original contribution to the social theory of finance. Resituating Marxian analysis in a capitalist landscape thoroughly transformed by and through financial instruments, Ascher provides a persuasive critique of contemporary culture, politics, and economy.

Mandatory Roller Coaster - The Fragility of Modern Societies

I think the greatest fragility our society has isn't physical, but psychological; the idea that there's always a punishment for a crime, that the police are the ones that are responsible for your personal protection, the government will watch after you and is responsible for your well being.

The Fragility Of Our Complex Civilization By John Scales Avery

The Marriage of Reason and Nightmare. Ballard's method is Swift's, though with a less general target. To object that Ballard exaggerates the existential predicament of the modern middle classes is to miss the point, just as to object that Swift exaggerates man's absurdity, pretensions, and nastiness is to miss the point.

The Fragility of Modern Societies by Nico Stehr (ebook)

The specific theme that modern society is an increasingly fragile social order was first identified and explicated in the concluding part of my book Knowledge Societies (Stehr, 1994). In some ways this book overlaps with, continues and extends the argument of the previous volume on knowledge societies.

SAGE Books - The Fragility of Modern Societies: Knowledge ...

This book argues that knowledge is now central to the modern economy and its productive processes. It is also essential for social relations, social cohesion and conflict resolution. We have moved from a society based around heavy commodities to symbolic goods, from situated markets to non-place-specific locations, from machines to software and from things to ideas.

The Fragility of Modern Societies: Knowledge and Risk in ...

The fragility of modern society is particularly worrying, because, with a little thought, we can predict several future threats which will stress our civilization very severely. We will need much wisdom and solidarity to get safely through the difficulties that now loom ahead of us.
