Recruitment and retention of seafarers and the promotion ...
Globalisation has transformed the seafarer labour market. As shipping companies have flagged vessels out to open registers, they have shifted from recruiting seafarers on a local hire, frequently permanent, basis to employing seafarers from developing countries on temporary contracts via third party crewing agencies.

The global seafarer : living and working conditions in a ...
A barrier to the analysis of seafarers' depression and suicide comes from the lack of information on the characteristics of the seafaring population. The Global Seafarer [9] noted that in the 1980s there was a dramatic change in recruitment strategies for seafarers with an increasing proportion of seafarers being hired from developing countries and East Asia, particularly the Philippines.

It is important to understand that, as a South African tax resident living and working abroad, the failure to register when you are required by law to do so, is a serious criminal offence. With the existence of the CRS and worldwide sharing of information, it would be dangerous to assume that SARS could never find you.
