2010 to 2015 government policy: 2012 Olympic and ...  
Urban regeneration in Britain has often been described as being 'market-led'. However, such a characterisation does justice neither to the complexity of urban policy over the past 25 years, nor to the changes that have taken place in the same period. Nevertheless, since the beginning of the 1980s partnership with the private sector – however the concept has been understood – has been a ...

A closer look at the regeneration of Hackney, London - The ...  
Abstract. Partnership and participation are terms at the centre of current urban regeneration policy initiatives in the UK. The modernising local government agenda has seen a significant shift towards placing greater emphasis on the role of partnerships, and voluntary and community organisations (VCOs) (often referred to collectively as the third sector) are recognised as a key partner in this ...
