BOOK REVIEW: The Government of Risk: Understanding Risk ...

With The Government of Risk: Understanding Risk Regulation Regimes, Professors Christopher Hood (University of Oxford), Rothstein (King's College London) and Robert Baldwin (London School of Economics) were among the first regulatory scholars to systematically explore the evolution and growth of risk regulation since the 1990s. They seek to understand why there is so much variety in how risks are regulated across and within policy domains.

The Government of Risk: Understanding Risk Regulation ...

Read Free The Government Of Risk Understanding Risk Regulation Regimes

The Government of Risk is an interesting guide to the evaluation of risk regulation. It offers a very detailed system for classifying risk regulation regimes, which is motivated by a need to understand why society addresses different risks in so many different ways.

The Government of Risk: Understanding Risk Regulation ...

The Government of Risk: Understanding Risk Regulation Regimes. It exposes the thinness of society-wide analyses of risk controls and it offers a perspective that single case studies cannot reach. Regimes analysis breaks down the components of risk regulation systems and shows how these interact.
