Luther on the Hidden God

The hidden God (Latin: Deus absconditus) refers to the Christian idea of the fundamental unknowability of the essence of God. The name comes from the Bible, specifically from the book of Isaiah: "Indeed, you are a hidden God, you God of Israel, the Savior."(45:15). This concept was particularly important for the thinking of Nicholas of Cusa, Blaise Pascal, John Calvin and Martin Luther.

The Hidden | God TV

One of the biggest concerns that moved me from Geneva to Wittenberg theologically and practically was the relationship between what Dr. Luther calls "the hidden god" and "the Revealed God." Both of these theological categories, or ways of speaking about God, are present in both Reformed theology and Lutheranism, but the various contexts of their...

that of the deus absconditus or "hidden god" of Thomas Aquinas (1225-1274) and Nicolaus Cusanus. Although Aquinas was a Catholic and not a deist, the concept of the "idle god" refers to a deity whose existence is not readily knowable by humans solely through contemplation or through the examination of divine actions.
