The book also lacks an adequate analysis of how the Company's operations had an impact on the territories it came to dominate. This book was originally published in 1991 so there are now sure to be more diverse sources to enable another writer to tell a richer more nuanced history of the honourable company.

The Honourable Company History Of  
A relaxed narrative history of the English East India Company from the beginnings until between 1800 and 1830ish, reading it I thought I was going to write that it takes a while to get going, but by the time I finished I realised that it never did, rather like a stately Eastindiaman at anchor at Greenhithe it just bobbed up and down in the Thames a little in the swells of the current.
