Hop Grower's Handbook - One Green World

The runaway craft beer market's convergence with the ever-expanding local foods movement is helping to spur a local-hops renaissance. The demand from craft brewers for local ingredients to make beer-such as hops and barley-is robust and growing.

become punitive by the mid-1860's. By the 1880's, North Saanich hop growers were producing enough hops to satisfy the needs of local brewers. So good was the yield that they were able to supply foreign brewers as well, who were faced with crop failures in their countries. Profits were good and the future for BC hops looked bright.

The Hop Growers Handbook The

“The Hop Grower's Handbook is a fantastic source of information that will absolutely help revive the small-scale hop-growing industry of New York and other eastern states. Ten Eyck and Gehring give experienced and novice farmers alike a structured plan to efficiently start and maintain a hop yard at the most ideal scale for today's local hop markets.
