The Interpretation of Cultures Summary - eNotes.com
Geertz opens with the claim that the interpretation of culture is semiotic in nature. Culture is a web of significance. (p. 5) Ethnography is "thick description", an accounting of facts. Explicating events is to interpret them, but analysis is an interpretation of the signs, codes, and meaning. Culture is an active document. (p.

The Interpretation of Cultures is an academic classic. The late Clifford Geertz was lauded for his 1973 anthropological volume, and I do not find this to be hype. The book is structured around anthropological description, with Geertz relying on field data he gathered mostly in the 1950's and 1960's.
