it doesn't have to be awkward or painful. By learning a few simple techniques, you can polish your conversational skills and make a positive impression.

An Introvert's Guide To Leadership - Forbes

While extroverts tend to gain their energy in social situations, introverts typically recharge through solitude and feel drained from too much stimulation. It might be easy to assume that those who gravitate toward the spotlight of fame are extroverts, but the truth is that many of our most prominent faces, past and present, have actually identified as introverts.
