It has a ton of mazes which you don't get in the full-color books, and they are all fun and unique. This is a travel size boom - about half the size of a workbook, which is great for throwing in my bag to have handy at restaurants, etc.

My daughter is only four but all the mazes she does are recommended for children aged seven to ten. She is certainly not doing aged seven to ten math or reading or anything else so I am suspicious of maze age recommendations.

Anyway, in my opinion,
these mazes are great
for ages four to six.
They are colorful and
fun, but not too difficult.
