The Killing House is a two storey building with four rooms on each level. It is designed just like a conventional building, with furniture, pictures, toilets, etc. The building has special rubber-coated walls to absorb bullets, extractor fans to clear out fumes, and video cameras in corners to record the action in the rooms.

### **The Killing House (2018) Trailer**

For all fans of Michael Connelly and Dennis Lehane, The Killing House is the amazing first novel in a stunning new series by Chris Mooney, author of the popular CSI Darby McCormick thrillers. It introduces fallen angel and former profiler Malcolm Fletcher who is forced to take the law into his own hands in order to uncover the truth in his terrifying first case.

### **The Killing House - IMDb**

The Killing House is a very gripping story and there is no dull moment at all. The moment you start reading, you'll find it difficult to put down. The events and the characters are very interesting and I'm glad our hero, Malcolm Fletcher, will have other cases to solve. He is such a well-written character and I find him extremely likable.
