The Developing Labor Law: The Board, the Courts, and the National Labor Relations Act gives labor and employment law practitioners essential insight into all the latest updates in U.S. labor law. It covers the legal rights and duties of employees, employers, and unions, as well as procedures and remedies under the National Labor Relations Act.

The Labor Relations Process: Holley, William H., Ross ...

The labor relations process that produces a union-management relationship consists of three phases: union organizing, negotiating a labor agreement, and administering the agreement. In phase one, a group of employees within a firm may form a union on their own, or an established union (United Auto Workers, for example) may target an employer and organize many of the firm's workers into a

Labor Relations And Collective Bargaining Cases Practice ...

In this chapter, we examine the labor relations through the role of trade unions, collective bargaining, wages and benefits across the European Union. We conclude that labor relations have a direct influence on the labor market, designing the lines for taking decisions in organizations, but also, by governments. Our argumentation explains the relationship between employers and employees ...
