basic technique, it also takes you by the hand through several other variations that you can try.

DNA Activation Explained + POWERFUL 528Hz Meditation | Positive Transformation | Healing | Solfeggio

Meditation is being attentive to God. It is one way we “keep seeking the things above where Christ is” (Col. 3:1). It is a conscious, continuous engagement of the mind with God. This renewing of the mind (Rom. 12:1-2) is part of the process by which the word of God penetrates the soul and spirit with the light of illumination and the power of transformation.

Transforming meditations - How to Meditate

When you meditate you essentially closes off your thoughts. It gives the mind a break. When meditating, you focus your consciousness of one element (such as your breath). This gives your mind a much needed break. It lets any negativity or mental blockage free up. This results in a state of flow. When you meditate you allow your body to flow naturally.
