"Freud: The Mind of The Moralist" is impossible to summarize. A critic once remarked that reading Rieff is like "chewing ball bearings and finding the occasional cherry." This book is a rigorous exposition of the labyrinthine intellectual and moral implications of Freud's thought.

### The Moralist

The moralist relies on his moral actions: if he prays, goes to church, and helps his community, then he is good with God. Moralism says that, if you don't lie, cheat, steal, or cuss too much, then you are a good person and deserving of heaven. But the moralist is self-deceived in thinking that his good behavior somehow merits eternal life.
