In 1954 Artist and Surgeon Frank Netter wrote the introduction to the 1st edition of the reproduction volume in a system by system series of medical plates - 'The Netter Collection'. These illustrations were of high quality and are now easily recognisable as of that period.

The Netter Collection Of Medical

The 13-book Netter Collection of Medical Illustrations, which includes the greater part of the more than 20,000 paintings created by Dr. Netter, became and remains one of the most famous medical works ever published.
