The Noonday Demon - Wikipedia

The term Noonday Demon (also Noonday Devil, Demon of Noontide, Midday Demon or Meridian Demon) is used as a personification and synonym for acedia. It indicates a demonic figure thought to be active at the noon hour which inclines its victims (usually monastics) to restlessness, excitability and inattention to one's duties.

Mapping Depression by Andrew Solomon

Like Primo Levi's The Periodic Table, The Noonday Demon digs deep into personal history, as Andrew Solomon narrates, brilliantly and terrifyingly, his own agonising experience of depression.

The Noonday Demon | Andrew Solomon

The Noonday Demon explores the subterranean realms of an illness which is on the point of becoming endemic, and which more than anything else mirrors the present state of our civilization and its profound discontents. As wide-ranging as it is incisive, this astonishing work is a testimony both to the muted suffering of millions and to the great courage it must have taken the author to set his mind against it.
