The News Manual

An owner's manual is an instructional book or booklet that is supplied with almost all technologically advanced consumer products such as vehicles, home appliances and computer peripherals. Information contained in the owner's manual typically includes: Safety instructions; for liability reasons these can be extensive, often including warnings against performing operations that are ill-advised for product longevity or overall user safety reasons. Assembly instructions; for products that arrive i

You: The Owner's Manual - Eso Garden

This owners manual provides a "Maintenance Law" which tells you how to maintain a level of peak performance in your lives through a wisely designed upkeep schedule. But the problem is that many people do not take advantage of its direction.
