The study of social
influence has been central
to social psychology since
its inception. In fact,

Download Free The Oxford Handbook Of Social Exclusion

research on social influence began in the 1880s, predating the coining of the term social psychology. The area's influence continued through the 1960s, when it made seminal contributions at the beginning of social

Download Free The Oxford Handbook Of Social Exclusion

psychology's golden age, but by the mid-1980s, interest in this area had waned.
